Dear Parents:

Thank you for your interest in our Weekday Education Center. Attached you will find a registration form for your child's enrollment in our program.

Our preschool is a half day program. We offer a comprehensive curriculum that will enhance the physical, emotional, intellectual, social and spiritual development of your child. Each classroom is staffed with a teacher and teacher assistant. All of our staff love working with children and enjoy helping them learn. We are proud to have an extremely low turnover rate resulting in a well qualified and experienced staff.

Each classroom is set up with several centers that the children can choose to participate. They include art, fine motor activity, blocks, housekeeping, books, and special interest centers. Each child's day is filled with opportunities to encourage his or her creative abilities, social interaction, and cognitive skills. The children play outside daily unless weather does not permit. In case of cold or wet conditions, the children will play in the Family Life Center gym.

There is a non-refundable **\$50.00** registration fee per child that should be included with the form. A copy of your child's immunization records will be needed in August.

Below you will find a tuition fee schedule for the current school year. ***The tuition rate may change a small amount from year to year.*** Tuition is due on the 1<sup>st</sup> of each month (August through May).
